ROLE / RELATION TO THE WORK YOU ARE DESCRIBING

1. If you could refuse one form in your life, which one?

A form, a checkbox, a dropdown, a scoring rubric, an audit, a self-evaluation. Name it. Describe it briefly. Then write what is missing from it.

2. What is the work you do that does not appear in any record?

Work that is unlogged, unbilled, performed without recognition. Articulation work, emotional labour, knowledge translation, repair, care.

3. What does your work require to be done well that no platform asks about?

A texture, a smell, a tone of voice, a patience, a quiet, a kind of attention, a kind of waiting.

4. Additional notes, drawings, refusals (optional)

This space is yours. Use it as you would use the margin of a form you trust.
